

NORWAY, Lapland **Stay at GLØD Aurora Canvas Dome**

From 225 €
Winter 2023/2024

Really cool, stylish accommodation where you are so close to nature that you see and hear the squirrel outside the big window of the dome.

The warmth from the wood-burning stove and a nice down duvet will steer you safely through the night.

If you are very lucky, you will see the Northern Lights in the sky above you from your bed.

Breakfast is included and is served in the GLØD lounge.

We can offer two or three course dinner every night. The menu varies according to the season, and we like to serve cod, lamb, reindeer, elk and salmon. Dinner must be ordered in advance.

The Aurora Canvas Domes have a small bathroom with toilet and you will find shower and sauna in the GLØD lounge about 30 m from the dome.

Alternative accommodation

GLØD APARTMENT SUITE

The new and elegant apartment for up to four (five) people is ideal for anyone who would prefer quiet and peaceful days in the pine forest in the countryside rather than staying in the town centre. You can relax and unwind in a peaceful setting where life and the time keep the same pace.

Activities

Experience the Northern Lights

Do you want to experience the majestic Northern Lights, but don't know when, where and how? Join us on a tour with just one objective – to Hunt the Northern Lights! Choose between the classic evening tour, a private version or a tour combined with dog sledding or a fatbiking or MTB trip.

Fatbike: Cool, Fat and Playful!

Alta is the unofficial fatbiking capital of Norway – and we simply can't disagree! There are two main reasons: the range of tracks and the climate!

Snowshoeing trips

Experience nature close-up on our snowshoe treks. Exercise combined with a nature-based experience!

Snowshoeing trips

Experience nature close-up on our snowshoe treks. Exercise combined with a nature-based experience!

Ski expeditions

Finmarksvidda, Stabbursdalen National Park, Øvre Anarjohka National Park. Close your eyes, say these place names and imagine the rustle of the wilderness! Join us and find out what is hiding behind the next ridge, behind the next horizon, on an adventure you will remember for the rest of your life!

E-Mountain Biking

E-bikes for trail cycling, or eMTB if you prefer, are fantastic tools for fun in the forest and on the mountains. We offer short and long trips, as well as rental of electric mountain bikes.

Mountain Biking

Mountain biking in Finnmark is completely different to everything else you have experienced on the bike seat. Imagine a gently rolling mountain plain landscape where the horizon and the single track disappear into endlessness.

Hiking & Husky

Northern Norway offers wonderful opportunities for hiking. Magnificent nature and the Arctic light that follows you around the clock mean you can hike day or night! We offer traditional hiking trips, fishing trips to secret lakes and rivers, and geocaching. As usual, on our Hiking tours, one of our huskies will join, to help carry and for the company.
