

## **Norway, Stay at Hofslund Fjord Hotel Sogndal**

**From € 120  
Year 2024**

Hofslund Fjord Hotel is a family run hotel from 1912. It is now the fourth and fifth generation of hosts who welcome you. Most of the rooms have fjord view and balcony. The hotel is situated in the centre of Sogndal and directly on the shore of the Sognefjord, the longest fjord in the world. It has its own garden and a heated outdoor swimmingpool.

From the garden you can enjoy the picturesque sight of the fjord and the mountains. Our hotel is located in Sogndal - which is part of the Sogn og Fjordane region. It is built on the waterfront and offers a stunning view of the Sognefjord and the surrounding mountains.

Free rental of rowing boats for guests to relax on the world's longest fjord, as well as rental of electric bicycles. There are plenty of fantastic cycling routes in the local area. When you rent bikes, you receive a map showing the best circuits in the region.

## Accommodation

Standard rooms, standard rooms with fjord view, superior rooms and suite.

## Dinning room

150 -170 guests in our dining room, with its marvellous view of the fjord and mountains. You can enjoy a quiet breakfast here whilst watching the ducks swimming by.

## Attractions and activities

### The Sognefjord

The longest and deepest fjord in Norway, the Sognefjord, lies in the heart of Fjord Norway and extends more than 200 km inland to the foot of the Jotunheimen and Jostedalbreen.

At the Sognefjord are both dramatic and hospitable, and the area is one of the most beautiful tourist destinations in the world.
