Welcome to Paradise!

Welcome to Raaum Gard "On the Edge". The two cabins are placed on the edge, 1350 ft above the spectacular Sognefjorden. Enjoy the breathtaking view and the peaceful environment. Check in and breathe out!

Located in the heart of the fjord, the adventures in our "backyard" waits for you. Hike Molden or the Jostedal glacier, visit Urnes Stave church or drive The National Scenic Route across Sognefjellet.

Does it sound tempting to take the SUP (stand up paddle board) on the crystal-clear green fjord? Or take a round trip by car or electric bikes in beautiful surroundings? Not to mention sitting in the hot tub or the sauna with your beloved ones watching the sun

sets behind the majestic mountains? We got you!

Each cabin has beds for 4 people, including linen and towels. The cabins are equipped with a modern outdoor toilet and outdoor showers.

How to get to Raaum Gard: Connecting flight from Bergen or Oslo to Sogndal local airport with the most breathtaking landing on mountain surrounded by fjords. 45 min drive and voila you can relax. You can be picked up at the airport, or you can rent a car.

At this place you can listen to the sound of absolute silence!
