Flights, car hire and accommodation are all pre-booked and we also provide suggestions for stops and activities - but you have the time and freedom to choose.

Itinerary

DAY 1 | PARIS / FAROE – ARRIVAL TO THE FAROE ISLANDS – EXPLORE THE ISLAND OF VÁGAR

Arrival to the Faroe Islands. Pick up your rental car at the airport and enjoy the rest of the day on the island of Vágur.

Drive to the village of Gásadalur, walk along the marked path, enjoy the impressive view of Tindhólm, and do not miss the beautiful waterfall that flows into the sea.

Spend the night on Vágur.

DAY 2 | THE ISLAND OF MYKINES – A GEM IN THE NORTH ATLANTIC

A suggested day trip to the bird island of Mykines. The tour begins from the harbor in Sørvágur where you can park your car. Enjoy an impressive sailing trip along the majestic sea cliffs.

On the island, you will see the charming puffins with their colorful red beaks and the impressive gannets that only breed on Mykinesholm. On your return to Sørvágur, pick up the car and drive to Tórshavn.

Spend the night in Tórshavn.

DAY 3 | ISLAND OF SUÐUROY – LIGHTHOUSE AT AKRABERG.

Take the ferry from Tórshavn to the island of Suðuroy. The nature on Suðuroy varies from that further north and is particularly well suited to hiking.

We recommend visiting the Akraberg lighthouse on the southernmost tip of the island and also Beinisdvørd, to enjoy the magnificent panorama that unfolds when you get to the top. The village of Famjin, situated in beautiful and dramatic surroundings, is also well worth a visit. The original Faroese flag hangs in the church. In Tvøroyri you can see some of the historic buildings used by the Danish Royal Monopoly Store.

Spend the night on Suðuroy.

DAY 4 | EXPLORE TÓRSHAVN AND THE HISTORICAL AND CULTURAL CENTRE, KIRKJUBØUR

Return to Tórshavn with the ferry. Walk through the old town and soak up the atmosphere of the small houses with their white window frames and grass roofs. The old town is unique, not only in the Faroes but in the entire world. Please respect the privacy of the people living in these historical houses.

We recommend a visit to Kirkjubøur which is the historical and cultural center of the country. Back in Tórshavn you will find many different restaurants and cafés where you can enjoy excellent food.

Spend the night in Tórshavn.

DAY 5 | FANTASTIC VIEWPOINTS, ROCK FORMATIONS AND SMALL COLORFUL VILLAGES

Drive across Streymoy passing the old whaling station Við Áir and on over the bridge to the island of Eysturoy. Continue towards the village of Eiði as you take the panoramic route to Gjógv. See the impressive rock formations called Risin and Kellingin and the highest mountain, Slættaratindur at 882m. Explore the village of Gjógv, famous for its natural harbour.

Drive from Leirvík through the subsea tunnel to Klaksvík. The tunnel is decorated with 'light' art by the well-known Faroese artist, Tróndur Patursson. It is easy to explore the other Northern Isles from Klaksvík, each with its own dramatic landscape. For example, visit the island of Viðoy which is the

northernmost island of the Faroes. Viðoy has two villages – Viðareiði to the north and Hvannasund to the south.

While staying in Klaksvík, we recommend exploring the area with a self-guided tour. For more information and price, feel free to contact us.

Spend the night on the Northern Isles.

DAY 6 | FAROE/PARIS – DEPARTURE FROM THE FAROE ISLANDS

On the way to the airport, we recommend that you take the fascinating two-hour boat trip to the Vestmanna bird cliffs, sailing between the cliffs and into the grottoes.

Take time to visit the unique Saga Museum which describes the Faroese history from the Viking Ages.

Continue onto the airport and deliver the hire car. Departure with Atlantic Airways.
