

## **Norway, Å Stay at Å Rorbuer**

### **Starting from € 145 Year 2024**

Å Rorbuer is beautifully situated at the tip of the Lofoten Peninsula, surrounded by the dramatic landscape of Lofoten. Here, you get to experience staying in one of Lofoten's most charming fishing cabins, as well as enjoying local dishes at the Brygga Restaurant and Lobbybar.

This area bears clear traces of glaciers and the powerful forces of nature that have shaped this unique landscape. It is among Norway's most wild and fascinating areas, with mountains steeply meeting the sea, and small bridges and causeways connecting the islands, creating an atmosphere unlike any other.

An ideal starting point for exploring the scenic beauty and traditions of Lofoten.

## Accommodation

Most of the rorbu cabins at Å Rorbuer date back to the early 1900s when fishermen used them for shelter and accommodation. The newly renovated rorbuer cabins have all the comfort one needs, yet the focus has been on maintaining the historical and rustic charm. The cabins feature a spacious and comfortable living room, kitchen, bathroom, and bedroom. There is also access to a balcony. Not all cabins have a sea view.

In addition, we offer hotel rooms with shared bathrooms in the historic Salteriet, a former fish salting factory, and in Brygga, a former fish reception factory.

Breakfast buffet from 08 – 10 (11 on weekends).
