

Norway Stay at Reine Rorbuer

**Starting from € 160
Year 2024**

In the western part of the Lofoten Islands, at the entrance of Reinefjorden, lies the fishing village of Reine and the Reine Rorbuer. If you're looking for a true "get-away-from-it-all" experience, a place that few have explored, then you should come to them. They cannot guarantee that you will be alone, but they can assure you that everyone else comes here for the same reason.

Here are the majestic mountains of Lofoten and the Arctic Ocean, our closest neighbors. In summer, a stay in a rorbu can offer endless days and the midnight sun, and in winter, short days with spectacular weather and Northern Lights.

Accommodation

All our rorbuer have recently been restored, combining the atmosphere of the old fishermen's dwellings with modern comfort. Each cabin, or "rorbu" as they are called, has its own bathroom, and most come with a fully equipped kitchen. Wi-Fi is available in all rorbuer.
