

Finland, Rantasalmi Authenticity at Hotel & Spa Resort Järvisydän

**From € 95
Year 2024/2025**

The experience at Järvisydän is always closely linked to the surrounding nature. The renowned resort offers unique experiences throughout the year on the picturesque Lake Saimaa. Nature is omnipresent, in the infrastructure, on the menus, and in the activities. The unique character of Järvisydän hotel is expressed in its incredible main building combining local materials: Finnish stone and ancient wood.

Accommodation

Hotel

Standard room (max. 2 persons)

The Standard rooms feature a double bed, a balcony overlooking the garden or the forest and rocks, a bathroom with a shower and toilet, a hairdryer, a minibar, a television, a pod coffee machine, and a kettle. Bathrobes and towels are also provided.

Suite room (max. 6 persons)

The Suite rooms include a living room/small kitchen, a bedroom, and a small separate sleeping area. The bedroom features a double bed, while the sleeping area combines a single bed and a pull-out bed for one person. The sofa in the living room can also be converted into a double bed. The bathroom is equipped with a shower, a jacuzzi, and toilet facilities.

Superior Suite (max. 4 persons)

The Superior Suite with Jacuzzi is also an excellent option for longer vacations. It features a double bed, and the sofa can also be used as an additional bed for one person. In the bathroom, there is a shower, a jacuzzi, and toilet facilities. The Superior Suite also has a second toilet, a hallway, and a balcony overlooking Lake Saimaa. The room is equipped with a capsule coffee machine, an electric kettle, cups, a television, a minibar, a hairdryer, bathrobes, as well as an iron and ironing board. Additional features include a jacuzzi and a lake view.

Superior Suite with sauna (max. 4 persons)

Choose the Superior Suite with sauna when you want to relax alone with your loved one. The Superior Suites with sauna feature a double bed and a sofa that can be used as an additional bed. In the bathroom, there is a shower, a jacuzzi, a sauna, and toilet facilities. There is also a second toilet, a balcony, a capsule coffee machine, an electric kettle, a minibar, a television, a hairdryer, bathrobes, dinnerware for 2 people, a refrigerator, as well as an iron and ironing board in the room. Pet-free rooms are available. Additional features include a family-friendly atmosphere, a jacuzzi, and a sauna.

VIP Suite (2 + 2 persons)

The VIP suite is located on the top floor of the hotel and is recommended for special occasions such as honeymoons or small gatherings. The VIP suite is equipped with a jacuzzi, a fireplace, a kitchen, 2 toilets, a meeting room, and of course, a view of Lake Saimaa. The room features a double bed, and the sofa in the living room can also be used as an additional bed for two people. In the bathroom, there is a shower, a jacuzzi, and toilet facilities. The room is also equipped with a capsule coffee machine, an electric kettle, a toaster, a refrigerator, a minibar... Additional features include a family-friendly atmosphere, a fireplace, and a jacuzzi.

Panorama

Log Suite (2 + 2 personnes et 2 + 3 persons)

The log cabin suites are located a short distance from the main building of Järvisydän, nestled in the forest landscape. The modern log cabins are built using traditional log carving methods, giving the building a distinctive and cozy appearance. The log cabin suites are equipped with a full kitchen, a spacious living room, a beautiful sauna, and a terrace. The main sleeping area with a double bed is located on a mezzanine with large skylights for romantic evenings gazing at the stars. The windows are equipped with blinds. This suite is perfect for families. The sofa bed in the living room serves as an additional bed for two people. Additional features include a fireplace, a family-friendly space, pet-friendliness, and a sauna.

Superior Log Suite (max. 4 persons)

The Superior Panoramic Suites are equipped with an outdoor jacuzzi and a sauna (2+2 beds) located at the top of Palanut Vuori (Burnt Mountain). The living room is furnished with 2 sofa beds, large panoramic windows, and a kitchen. The bedroom features a 180 cm wide double bed. The holidays are topped off by an outdoor jacuzzi experience! The jacuzzi is available all year round. The Panorama Suite also features a mini kitchen. The panoramic village is located right next to our nature trails and is only 500 meters from the reception. Additional beds are available to meet your needs... Additional features include a family-friendly atmosphere, a jacuzzi, and a sauna.

Panorama Suite (max. 2 persons)

The panoramic suites with outdoor jacuzzi (2 beds) are located in a peaceful spot atop a hill, overlooking the resort. The living room is furnished with a double bed, large panoramic windows, and a kitchenette. An indoor sauna and an outdoor jacuzzi on the terrace offer the perfect couple's getaway. The jacuzzis are heated and available all year round. The panoramic suites offer views of the natural landscape.

The large panoramic windows are equipped with curtains. Our panoramic village is situated along our nature trails, approximately 0.5 km from our main building. Pet-free rooms are available. Additional features include a jacuzzi and a sauna.

Scenery

Scenery Suite (max. 2 persons)

The Scenery Suites (2 beds) feature a double bed, a fireplace, a living room with a kitchenette, and a bathroom/WC. In the warmth of the suites, you'll experience all forms of light through the large heated panoramic windows. From the darkest period of the year before Christmas, the first snowfalls, thunderstorms, full moon, starry sky on a cold night, Northern Lights, to the bright summer nights. The panoramic windows are equipped with curtains. The room has an adjustable air conditioner for heating and cooling. Scenery Suites are pet-friendly. No possibility of additional beds. Additional features include a fireplace and pet-friendliness.

Scenery Suite (max. 4 persons)

The Scenery Suite for 4 people with a cabin offers a main bedroom with a double bed, an atmospheric fireplace, large skylights, and a television. In a separate alcove, there are two bunk beds with a lower bed of 90 cm wide and an upper bed of 80 cm wide. Some alcoves have a small skylight where you can observe the stars or the clouds. In the living room, there is a small kitchen and a bathroom/toilet. In the warmth of the Scenery Suites, the large heated windows allow you to experience all forms of Nordic light. From the darkest period of the year... Additional features include a family-friendly atmosphere, a fireplace, and pet-friendliness.

Kota Hotel

Kota Suite (max. 2 persons)

Each room is equipped with a 180 cm wide double bed, consisting of 2 single beds each 90 cm wide, as well as an authentic fireplace. Heating and air conditioning are provided by an air pump. All windows are equipped with blackout curtains to ensure a good night's sleep. Television and free WiFi are included. There is also a separate kitchenette and living room. The kitchenette is equipped with dinnerware for 2 people, a refrigerator and minibar, an electric kettle, a microwave, and a capsule coffee machine. Each room has a bathroom with a shower and natural stone flooring, as well as a hairdryer... Additional features include a fireplace.

A unique Spa experience on Lake Saimaa

Lake Spa offers a new form of Finnish wellness, as all construction materials are close to nature; water from Lake Saimaa, natural stone, and submerged logs over 500 years old. The spa is heated using the heat from the lake/ground and solar energy.

Weekend guests are recommended to visit the Lake Spa preferably on Friday or Sunday, as Saturday afternoon and evening are the most popular times to visit the spa.

Spa & Day Spa

The spa therapists will welcome you with gentle hands and hot stones. You'll find the Järvisydän Day Spa located within the Lake Spa, near the main building.
