

Norway, Stay at the Mountain Lodge Sogndal

**From € 805
Year 2024**

Luxurious lodge

The Mountain Lodge is a big luxurious cabin, 240 square meters with great facilities in the middle of Sogndal Ski resort.

Mlodge can accommodate up to 17 people. If you are traveling with a smaller group, it is possible to divide the lodge into two parts: one part for 12 people and an apartment for 5 people. Mlodge offers superb facilities with large living rooms, a warm atmosphere, a fireplace, shuffleboard, and a panoramic view awaiting you.

A totally relaxing stay full of wonderful adventures. You can choose from various all-inclusive services when booking your stay.

The Sogndal ski resort is a beautiful place near the Jostedalsglacier. In winter, plenty of snow and some of the world's best off-piste areas surround the ski resort. The region offers slopes and cross-country skiing areas suitable for beginners as well as more experienced skiers. New activities are continually being developed at the ski resort, both in summer and winter. In summer, you can enjoy exciting hikes and mountain biking trails in the area.

Beautiful surroundings

Located in the heart of the Sogndal ski resort, Mlodge is just a short distance from superb hiking areas. Nearby, you will find the Jostedalsglacier and the stunning Sognefjorden fjord. It is a 15-minute drive from downtown Sogndal, which offers many shops and restaurants. Day trips to the Nærøyfjorden World Heritage Park and Flåm are highly recommended during your stay.
