

Bridal Suite

As the Maria Hotel hosts many exclusive events, including weddings, the bridal suite has been designed to offer the perfect setting for the most special occasions. In addition to luxurious furniture, elegant features, and generous amenities that are the signature of the Maria Hotel's suites, it also features a large walk-in closet and a boudoir where beauty services can take place. These special touches make it a truly unique suite.

The grandeur of the hotel is evident as soon as you enter this suite. Ornate decorative details and a visually stunning chandelier greet you at the entrance and in the bedroom. Well-appointed with an American-style king-size bed, the bedroom is a place of calm and tranquility.

Like all of the hotel's suites, the bridal suite includes a luxurious bathroom with a rain shower, designer bathtub, and a large double vanity, creating a spa-like atmosphere.

All your needs are met at the touch of a button, as all suites at the Maria Hotel are connected to our concierge, dining, wellness, and in-suite entertainment services via smart devices.
