

## Junior Spa Suite

Rest and relaxation are cornerstones of the guest experience at the Maria Hotel, and the Junior Spa Suite is a testament to that.

Every detail of the Junior Spa Suite has been carefully designed to leave you feeling refreshed and relaxed, all within a well-appointed and elegantly crafted space.

Individually designed, some suites span two floors, while others feature an iconic romantic spa in the room or a steam room or sauna for an authentic Finnish wellness experience. All suites boast a luxurious bathroom with a rain-effect shower, designer bathtub, and a spacious double vanity to create a spa-like atmosphere.

After indulging in the suite's spa elements, retreat to your bedroom with an American-style king-size bed and soft lighting from chandeliers and wall sconces. Restful sleep awaits you.

The Wellness Concierge is available throughout your stay, making it easy to book massages, facials, and other in-suite spa treatments.

All your needs are met at the touch of a button, as every suite at the Maria Hotel is connected to our concierge, dining, wellness, and in-suite entertainment services via smart devices.

The Junior Spa Suite provides a tranquil setting for complete relaxation and rejuvenation.
