

## Suite Signature

### Penthouse Suite

A sumptuous sensory experience, the Penthouse Suite is one of a kind. Designed for discerning guests, it is a symphony of timeless and modern elements.

The floor-to-ceiling windows of the suite let in natural light and enhance the sense of harmony with the surrounding landscape.

The large high-end kitchen and dining table allow you to choose to dine privately within the suite, with the option to invite a chef to fulfill your culinary requests.

A modern Finnish sauna is installed in the elegantly appointed bathroom, allowing you to experience an essential aspect of Finnish culture.

You will find a hot tub on your private terrace, exclusive to this room type, providing a place of peace and intimacy to relax with a glass of sparkling champagne, served by your butler.

As you retire for the evening in the American king-size bed, the fireplace offers a soft glow and comforting ambiance.

All your needs are met at the touch of a button, as every suite at the Maria Hotel is connected to our concierge, dining, wellness, and in-suite entertainment services via smart devices.

The Penthouse Suite represents the pinnacle of modern luxury travel.
