Residential Suite

One of the largest suites at the Maria Hotel, the Residential Suite pays tribute to the hotel's heritage and traditional Nordic design.

High ceilings, majestic chandeliers, and delicate sconces blend with the original elements of the historic buildings in which the Maria Hotel was constructed. Let your eyes take in the details, as this is truly a space to admire.

The spa-style bathroom offers total relaxation with a rain-effect walk-in shower and a designer bathtub, while the large bedroom is furnished in an elegant and contemporary design with a plush American king-size bed awaiting you for a restful sleep.

A generously sized living room, a kitchenette, and in-room entertainment systems ensure a comfortable stay.

The size, layout, and amenities of the Residential Suite make it ideal for extended stays and families traveling with children.

All your needs are met at the touch of a button, as every suite at the Maria Hotel is connected to our concierge, dining, wellness, and in-suite entertainment services via smart devices.
