With a culture renowned for its love of saunas and wellness, dedicating oneself to personal care is simply a way of life in Finland. This is proudly reflected in our Spa Suite, designed to guide you to a state of pure bliss.

Upon arriving in your suite, slip into a luxurious robe, order a cocktail through room service, and savor it at the martini table by the designer bathtub while relaxing in a luxurious bath. Continue your spa-style experience and unwind in your private en-suite steam room or sauna.

Our Wellness Concierge is at your service throughout your stay, assisting with bookings for massages, facials, and other in-suite spa treatments. You also have complimentary access to the Maria Spa, our world-class wellness facility.

All your needs are met at the touch of a button, as every suite at the Maria Hotel is connected to our concierge, dining, wellness, and in-suite entertainment services via smart devices.

The Spa Suite is a romantic and private oasis that will leave you feeling revitalized and renewed.
