## Quality transfers

Your journey to relaxation in Lapland begins the moment you arrive in Lapland. We understand the importance of a comfortable start for your holiday. Therefore, we offer a private transfer from Kittilä Airport, tailored to your flight time. If you are already in Levi, we provide private pickups for a smooth transition to your cozy lodge. On your holiday we offer transportation to all your winter activities and meals. You'll reach the lodge from Levi center in just 15 minutes.

## Warm winter clothing

When arriving to The Lodge, you effortlessly acquire your winter clothing. No need to fret about braving the Arctic cold – we've got everything prepared for you. Our winter clothing service ensures you're equipped with premium attire ideal for chasing the Northern Lights, frolicking in the snow, or embarking on thrilling winter adventures. Your clothing includes a waterproof, breathable jacket with an adjustable hood and hand-warming pockets. Complementing this, waterproof, breathable ski trousers and comfortable winter gloves crafted from thermal fabric, and practical, waterproof winter shoes.

## Meet the reindeer

Our small, charming herd of reindeer awaits to greet you at The Fell and giving warm and magical welcome to all our guests. Visit our graceful reindeer at the lodge yard to add an extra touch of enchantment to your joyful day for the whole duration of stay. Attract the reindeer to meet you by serving them lichen, their greatest delicacy. Whether you're visiting for a peaceful retreat or an adventurous getaway, the presence of our reindeer adds a touch of wonder and delight to the stay.

## Culinary delight at the Lodge

At The Fell, we believe that every moment of your stay should be a delicious adventure. That's why we've carefully curated an exclusive lodge dining experience that not only nourishes your body but also delights your taste buds with local produce and delicacies. Your journey begins with appetizers, followed by a shared main course that showcases culinary expertise, and finally, concludes with a dessert that will leave your taste buds delighted. Each ingredient is carefully chosen to provide an authentic taste of Lapland.

## Dining in Levi village

In the evening, we will take you to the vibrant Levi village. Prepare for a gastronomic adventure that combines the flavors of the Arctic in the local restaurant. Indulge in a delightful three-course meal with Lapland's rich and flavorful cuisine, featuring delicious game meats to exquisite fish delicacies. Your dinner will be served by a deeply passionate professional who will take you on a journey of tastes, making this dinner a truly memorable experience. After wonderful evening, our private transfer will escort you back to the lodge.

## Lappish hut style dining

This traditional Lappish dinner is a memorable end to your day. Step into the inviting warmth of the Lappish hut, nestled in the same yard as your private lodge. As you enter, the crackling sounds of an open fire welcome you, and the enticing scent of smoked salmon wafts through the air. This is an unparalleled dining experience, where the authentic culinary traditions of Lapland come to life, crafting a dining experience that will be cherished for years to come.

## Relaxing Day at The Fell

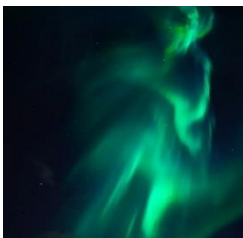

This day of relaxation is your canvas for crafting a winter story that seamlessly blends moments of serene tranquility with bursts of snowy excitement. If relaxation is your calling, you'll find cozy corners beckoning you to curl up with a good book, board games waiting to be played, and the comforting warmth of our traditional sauna to melt away any lingering stress. Savor a cup of hot chocolate by the fireplace and let the soothing lodge ambiance embrace you. For the more adventurous souls, the surrounding winter wonderland offers an array of opportunities for outdoor fun. Slip on snowshoes to explore the enchanting forest trails, grab a toboggan for thrilling downhill rides through the snow-covered fell, search for tracks of wild animals in the snow, or let your inner child shine by making snow angels and a snow man.

## Thrilling Husky Adventure

Experience the thrill of mushing your own team of huskies through Lapland's enchanting wilderness. Your journey begins with a convenient lodge pickup, taking you to a family-owned husky farm. You'll receive comprehensive driving instructions, learn to handle your own dogsled. Enjoy an exhilarating ride through the stunning Arctic landscape with your partner or family member taking turns driving. Everyone gets hands-on dogsledding experience. Stay warm and energized with hot juice and a local snack. After this unforgettable adventure, we'll return you to the lodge where you can savor a delightful lunch that's both hearty and mouthwatering.

## Hunting the Northern Lights

Join an unforgettable adventure, which offers the best chance to witness the Aurora Borealis up close. Starting when night falls, this excursion is suitable only for adults. With expert photography guidance and equipment provided, capturing the magic is effortless, even for beginners. Led by professional guides, you go the extra mile to find the Aurora, exploring multiple locations chosen for optimal viewing. This dedication to guide's experience sets them apart from others – from background research to live updates and local expertise, this ensures a memorable journey into the heart of the arctic wilderness.

## Family Fun with Elves

Step into a day of enchantment and joy as you embark on a magical journey into the world of elves. Your self-directed tour begins with following the elves path to discover the hidden homes of these mythical creatures. You'll be amazed by extraordinary structures when walking through a mystical fantasy world filled with wonders. You will have a possibility to write a letter to Santa and to decorate and taste gingerbread. The adventure park blurs the lines between reality and fantasy, offering a captivating experience into the heart of enchantment

and the mysteries of the unknown. And to keep you energized, you'll enjoy a delightful lunch at a local restaurant.

## Exciting Snowmobile Expedition

Get ready for a thrilling escapade in a snow-covered wonderland, where the pristine Arctic terrain transforms into your personal playground. You can reach places that you couldn't access with other means, over frozen marshlands and through snowy forests, to the heart of the breathtaking Lapland wilderness. The day includes lunch, warm drinks, and sweet pastries to keep you active. Whether you're a seasoned snowmobiler or a first-time adventurer, the skilled guides will offer expert guidance every step of the way and prioritize your safety. Small travelers can have a safe place in a heated and covered pod, pulled by our guides. This will be a memorable and fun day!

## A Day of Spa and Wellness Captivating Water World

This is a day of relaxation and rejuvenation, offering a delightful variation to your Lapland experience. Exhilarating indoor water park offers water slides for those who enjoy speed, swimming pools for fitness enthusiasts, water creatures for children and their wild adventures, and jacuzzies for those who just want to relax. A fascinating atmosphere is created also by indoor and outdoor pools, different kinds of saunas, variable lights, and sounds. As an added delight, your day of indulgence includes a delectable lunch, ensuring that every facet of your experience is a sensory delight. Relish the flavors of Lapland as you rejuvenate

both your body and soul.

## A Day of Spa and Wellness, Soothing Wellness Experience

Following a refreshing swim, allow us to pamper you with an invigorating hot stone treatment or a luxurious massage that will leave you completely revitalized. This day is dedicated to your well-being, a sanctuary where you can escape the everyday stresses and embrace pure serenity. For those accompanied by children, explore a children's indoor play area where little ones can discover, play, and make new friends, while adults take turns indulging in rejuvenating wellness treatments. It's a day devoted to creating treasured memories of shared fun and excitement, providing both kids and adults with perfect moments of joy and relaxation.

## Arctic Fireside picnic

wilderness of flavors.

Savor the Arctic's essence with a private chef. Indulge in the Arctic's finest offerings, where the grandeur of nature and culinary craftsmanship merge to craft a meal as unforgettable as the surrounding landscapes. In the heart of the Pallas-Ylläs National Park, we invite you to relax in a traditional Lappish hut where the inviting crackle of the fire sets the stage for an extraordinary fireside picnic. An expert local chef prepares a meal right before your eyes, using ingredients native to this exceptional region. Every dish mirrors the natural abundance of Lapland, and each bite takes you on a journey through the

## Magnificent Snow Village

after year.

Prepare to be spellbound as you enter the enchanting realm of the well-known Snow Village. It's a day where ice and snow are transformed into a mesmerizing masterpiece. From ice chapels to icy hotel suites, this village is a frozen wonderland that beckons you to wander its glistening corridors, marvel at its exquisite ice sculptures, and witness the beauty of this work of art. Every year, approximately 20 million kilograms of snow and 350,000 kilograms of crystal-clear natural ice are artfully harnessed to construct the magnificent Snow Village, which changes in shape, size, and design, continuously astounding visitors year
