

East Canadian Winter City Getaways 7 days / 6 nights Montréal, Ottawa et Toronto

**From € 520
Winter 2025**

The cities of Ontario and Quebec are truly year-round destinations. As the seasons change, winter becomes the backdrop for a wide range of indoor and outdoor excursions and sites. Montreal embraces the colder weather, inviting visitors to stroll through the charming streets of Old Montreal or take a ride on La Grande Roue's Ferris wheel for a spectacular view of the city and the river. Ottawa's museums showcase Canada's history and greatest innovations, while in Toronto, the underground pedestrian PATH system comfortably connects hundreds of shops, restaurants, and attractions.

DEPARTURES

Daily from November 1, 2024, to March 28, 2025

HIGHLIGHTS

- The freedom to explore three of Canada's largest cities at your own pace, tailored to your interests.
- Each city showcases cultures from around the world, both through its attractions and its cuisine.
- A perfect itinerary to extend with additional days or activities, or to combine with a ski vacation at Tremblant.

Itinerary

DAY 1 | MONTREAL AIRPORT - MONTREAL (approx. 20km)

Upon your arrival in Montreal, pick up your car at the airport and head to your hotel to check in. Take some time to explore the surroundings or enjoy the hotel amenities. Overnight in Montreal.

DAY 2 | MONTRÉAL

Explore the city that celebrates music, art, and cuisine with a full day in Montreal. Known for its restaurants offering dishes from around the world, you'll be warmly welcomed and enjoy a delicious meal. In the afternoon, take time to visit Montreal's underground city, which connects more than 30 km of walkways and corridors filled with restaurants, specialty shops, and attractions. Linked to the metro system, it allows easy travel throughout Montreal without dealing

with winter weather! Overnight in Montreal.

DAY 3 | MONTREAL / OTTAWA (approx. 200 km)

Depart the city and head west towards Ontario, arriving in the national capital, Ottawa. The neo-gothic Parliament buildings, surrounding pedestrian shopping centers, and the intersecting Rideau Canal create the backdrop for tomorrow's exploration. Overnight in Ottawa.

DAY 4 | OTTAWA

There's no shortage of attractions in this vibrant city year-round. The Canadian Museum of Civilization and the War Museum offer spectacular storytelling of Canada's epic past and its contribution to the global community. The National Arts Museum presents a rotating exhibition of some of the best Canadian artists. For outdoor enthusiasts, the frozen Rideau Canal offers the world's longest ice-skating surface. Overnight in Ottawa.

DAY 5 | OTTAWA / TORONTO (approx. 450 km)

Traveling through the heart of the Great Lakes region, you'll arrive in Toronto, Canada's largest city. Settle into your hotel and head out to one of the hundreds of downtown restaurants, ranging from lively pubs to world-class dining with city views. Overnight in Toronto.

DAY 6 | TORONTO

Toronto is truly a city that never closes. You can embark on an excursion to the top of the iconic CN Tower or pretend to dive under the waves with a visit to Ripley's Aquarium. The PATH underground pedestrian system, lined with shops, offers a comfortable way to explore downtown. Visit the one-of-a-kind Bata Shoe Museum or admire the stunning architecture of the University of Toronto—there's something for everyone around every corner. Overnight in Toronto.

DAY 7 | TORONTO / TORONTO AIRPORT (approx. 20 km)

Today, you'll check out from the hotel, head to the airport, and return your car in time for your flight home.
