Sognaporten – café / restaurant in Aurland

Welcome to the all-new Sognaporten—an essential pitstop where convenience meets quality service. Strategically situated by the E16 just outside the Lærdal tunnel, Sognaporten is your destination for a quick leg stretch, refueling, and satisfying your appetite.

Sognaporten proudly unveils a revamped concept, offering an enhanced culinary experience that reflects the best of Norway. While the food concept undergoes further development with exciting expansions planned, travelers may currently enjoy a delightful selection of sandwiches, salads, cakes, ice cream, and authentic Italian pizza. Sognaporten ensures a satisfying stop for both dine-in and take-out.

Managed by a skilled Italian pizzaiolo, their thin-crust pizza features genuine mozzarella imported from Italy. Choose from Pepperoni, Capricciosa, Margherita, Vegetarian, or customize your Calzone. All ingredients, except the imported mozzarella, are locally sourced.

As part of an ongoing development, Sognaporten plans to introduce hot dishes, including locally inspired stews and sausages. Charging points for electric cars and fuel pumps for gasoline and diesel are available, enhancing the overall convenience for travelers.

ETE Restaurant at 29/2 Aurland

Nestled at 29/2 Aurland, ETE Restaurant offers a dining experience focused on healthy, local, and organic ingredients—providing food for the body and the soul.

ETE Restaurant takes pride in sourcing fresh produce from its own garden and fields, ensuring a direct connection to the land. Collaborations with local farmers further enrich the menu with the authenticity of the region. The menu captures the essence of Aurland and Fjord Norway, showcasing flavors that not only nourish but also delight.

What sets ETE apart is its close proximity to Norway’s only fully organic agricultural institution—the Sogn School of Organic Agriculture and Horticulture. Located next door, this college not only supplies the restaurant with organic produce but also lends its green expertise.

ETE Restaurant believes in providing not just food for the body but also a soulful dining experience that reflects its commitment to quality and flavor.

Marianne Bakery & Café

An all-organic bakery nestled in Aurland town center, where the river meets the fjord.

Owned and curated by Marianne, this charming establishment, along with her dedicated team, has earned acclaim throughout Norway, especially for their renowned cardamom buns. Daily, the bakery presents a tempting selection of freshly baked goods suitable for various occasions—whether it’s lunch, dessert, or a delightful snack. Try their sandwiches with local flavors like goat sausage and cheese, or go for a tasty pizza. And don’t miss the popular soup of the day!

Enjoy the warm inside or take in the stunning views from the terrace overlooking the river and mountains. Whether you fancy barista coffee, cold drinks, or a sip of beer or wine, Marianne Bakery & Café has just what you need.

Immerse yourself in the charm of Marianne Bakery & Café, where the art of organic baking meets the natural beauty of Aurland.

Activities

Stegastein Viewpoint – panoramic fjord views 650mas.

Experience the breathtaking Stegastein viewing platform, providing a panoramic view of the Aurlandsfjord.

Jutting out 30 meters from the mountainside, Stegastein Viewpoint offers an unmatched panorama of the fjord, mountains, and surrounding landscape. This sight is truly awe-inspiring, making it the perfect spot for unforgettable holiday photos. Stegastein is one of the most photographed viewpoints in the region.

Situated along the National Tourist Road, known as “The snow road,” running from Aurland to Lærdal, the Stegastein Viewpoint was designed by Todd Saunders and Tommie Wilhelmsen, completing construction in 2006. Don’t miss out on this remarkable experience!

Electric Fjord Cruise – where every view is a postcard moment!

Explore nature’s beauty with ease!

Cruising through Nærøyfjord, a UNESCO World Heritage site, is a memory-making experience. The electric-powered vessels offer a quiet and eco-friendly journey, giving passengers a unique view through tall panoramic windows.

The walkways outside are safe, with a 1-meter railing, and the ship’s layout allows easy movement for everyone. Inside, a kiosk offers light meals and drinks.

Choosing Future of The Fjords means choosing sustainability. The electric power minimizes environmental impact, and a quick 20-minute charge in Gudvangen or Flåm keeps things running smoothly.

Start your journey from Flåm or Gudvangen. From Flåm, sail through Aurlandsfjord to Nærøyfjord and end in Gudvangen. The two-hour trip can be complemented with a shuttle bus return. Alternatively, starting in Gudvangen offers a reverse route with convenient shuttle bus options for the way back.

Come for the view, stay for the snow – The best ski touring opportunities surrounding Flåm & Aurland

Blåskavlen (1.804 masl.)

The highest mountain in Aurland municipality is a great destination for intermediate skiers. And what is better than combining a sports activity with beautiful views? On clear days you will be able to overlook large parts of the fjord and mountain landscape of coastal Norway.

How to get there: From the Aurland accommodations, it is only a 20-minute ride to Kvammdal, where the path to Blåskavlen starts. There, you’ll find dedicated parking from where you can start your adventure. We recommend using tour apps from Ut.no or Norgeskart.net for navigating your way, since there is no signage for the trail during the winter.

Prest (1.478 masl.)

A shorter version of the Blåskavlen tour is the tour to Mount Prest. From this mountain top you'll have the most panoramic view over the fjords. It is suggested to choose the route up Vetlabotna and continue from there towards the viewpoint.

How to get there: From the Aurland accommodations, it is only a 20-minute ride to Kvammadal, where the path to Prest starts. There, you'll find dedicated parking from where you can start your adventure. We recommend using tour apps from Ut.no or Norgeskart.net for navigating your way, since there is no signage for the trail during the winter.

Vatnahalsen and Myrdal

Combine your skiing adventure with a trip on the world famous Flåmsbana. Both Flåmsbana summit stations, Vatnahalsen and Myrdal, are great starting points for your ski touring adventure. You can find a variety of tours for all levels.

How to get there: The Flåmsbana Station is located right at the harbour in Flåm and just a couple of meters from our Flåm Station Apartments. If you are staying at one of our Aurland accommodations, it is a 10-minute car or bus ride to the station.

Reinungavatnet lake to Seltuft

If you are a ski touring beginner or haven't been on skies for a while, the trip from Vatnahalsen to Seltuft is a wonderful tour for you. It crosses iced lakes and gives you the full experience of high mountain landscape. This route is accessible in most conditions.

If you look for a longer and more challenging tour in this area, you can make the top tour all the way up Tarven (1704 masl.). This trip stretches for about 14 km and a primary factor of about 748 m.

How to get there: You can get from Flåm to Vatnahalsen by train only. The Flåmsbana Station is located right at the harbour in Flåm and just a couple of meters from our Flåm Station Apartments. If you are staying at one of our Aurland accommodations, it is a 10-minute car or bus ride to the station.

Guided Snowshoe Hike – the perfect winter adventure

Discover the wonders of the Norwegian winter on a guided snowshoe hike above the Stegastein viewpoint in Aurland.

Enjoy amazing views of the Aurlandsfjord and experience the fun of walking with traditional snowshoes. Your guide will share interesting stories about the area's history and local tales passed down through generations.

Stay warm with hot beverages, a typical treat on Norwegian snowshoe hikes. This adventure is perfect for beginners, and no prior experience is needed.

Dress warmly in your own clothes, preferably wool, as it can get pretty chilly in winter. Meet up 20 minutes before the hike at the FjordSafari outdoor reception near the Flåm Railway—this is both the starting and ending point of your snowy adventure.

Get ready for a fun snowshoe hike and enjoy the beauty of the Norwegian winter landscape.

Fjordsplorers – electric bikes

Discover the charm of Flåm and Aurland on your terms with Fjordsplorers electric bikes.

Fjordsplorers electric bikes make it easy to enjoy your adventure while also taking care of the environment. You'll discover that having a great time and being kind to our planet go hand in hand. Riding these bikes is not only exciting but also a healthy way to connect with nature and the beautiful landscapes around you.

Fjordsplorers electric bikes are available in Flåm and Aurland, making it easy for you to embark on this eco-conscious exploration.
