

Sweden

Explore Sweden's nature at Myssjö farm 2 days / 1 night From € 430 2025

Explore Sweden's nature with unique accommodation on a floating hotel room

Experience off-grid living on a cozy raft nestled in a tranquil forested landscape of Lake Yngern , Stockholm County. Known for its pristine water quality and unique biodiversity. Lake Yngern invites you to sip directly from its clean waters while surrounded by stunning natural landscape.

Authentic outdoor experiences

Here you and your companion can savor the silence and be lulled to sleep by the gentle lapping of waves. Enjoy each other's company and immerse yourself in nature. Nearby, the Vegis family at Myssjö Farm is available to guide and assist you during your stay.

Your time, your way

Whether you choose to relax on the raft, take a refreshing swim, or prepare dinner in the raft's well equipped kitchen, the choice is yours. Explore the surrounding area by hiking or rowing boat and unwind in the evening with a session in the farm's sauna. We paddle out in the morning, with a freshly prepared breakfast delivered to the raft, featuring organic and locally sourced seasonal ingredients.

Safety first

Your safety is their priority. Swimming skills are required for a overnight stay. Upon arrival, they'll provide thorough safety instructions to ensure a worry-free experience.

What to bring

Please bring weather-appropriate clothing and swimwear. You can bring your own dinner and drinks or let us provide locally produced food for an authentic Swedish culinary experience.
