

Activities at Tahko Spa – From € 50

Tahko is a dynamic destination offering a wide range of activities depending on the season.

Summer in Tahko is all about outdoor adventures under the midnight sun. The sun sets around 11 p.m. and rises again around 3 a.m., creating almost endless daylight and a truly unique summer experience.

Autumn in Tahko offers a breathtaking display of vibrant colors, fresh and invigorating air, and peaceful nature, making it a perfect time to visit. The surrounding forests and hills turn into a stunning palette of gold, orange, and red, creating unforgettable landscapes.

Winter transforms Tahko into a snowy paradise, offering skiing, snowboarding, snowshoeing, and many other winter adventures across its beautiful landscapes.

Summer & Autumn
