A place to pause, just be.

These are cute owl nests for two, perfect for a break from your busy everyday life. The room's landscape window opens into the silent hills of Arctic Giant, and from the window you can admire the first rays of the morning sun and the bright stars of the night. If you're lucky, you might also see the Northern Lights dancing in the night sky!

These cozy Bird Nest landscape rooms are located on the 1st floor of the Luxury Birdhouse building and offer a beautiful hideaway for two.

After a day outdoors, curl up in soft sheets and relax in the soothing light of the electric fireplace.
