

Tallusniemi Grand Villa – From € 770/night - Max. 16 guests

Tallusniemi Grand villa has 6 suites with private bathrooms, 2 of them with private terraces. The villa has fully equipped kitchen and open living room/dining area and indoor sauna with electric stove. Outside you can find a traditional lakeside summer sauna with a wood heated stove and direct access to lake Saimaa for swim! Jetty, rowboat, barbaque and fish preparation facilities can also be found from the villa.

Tallusniemi is located on a beautiful spot about 12 km drive from Oravi village. The villa is styled with a Finnish twist, a lot of wood and natural materials, space and light colours. Here you can live in luxury surroundings close to nature. The villa has a private shore and full lake view from the house. There are also a small sandy beach and a children's playground near the villa.

The most popular activities are a visit to Linnansaari National Park, rowing, fishing, canoeing, swimming, tour skating and forest walks. There are plenty of guided activities ranging from sauna yoga to seal safaris. To privately guided lake excursions your guide can pick you up directly from your own jetty!

In Oravi village you can find the village shop, Restaurant Ruukinranta, the starting point of a winter hiking trail and in summer boat service to Linnansaari. The reception/equipment rental house is also located in Oravi village, in the same building with the village shop and restaurant Ruukinranta.
