

## **Törölä – From € 110/night**

**6 Floors / 18 Rooms / 2-4 people per room**

Built in the 1940s, Törölä once served as accommodation for employees of the Kytäjä estate. Renovated in 2023 with a focus on sustainability, Törölä now offers comfortable accommodation for golf enthusiasts and other travellers, by the shores of Lake Kytäjärvi, a true natural gem.

Designed and commissioned by architect Väinö Vähäkallio, then owner of the Kytäjä estate, the Törölä building holds significant historical value, as housing in rural areas was scarce in the 1940s. The long history of this beautiful building has been respected through the careful restoration of its façade and the preservation of its original name.

The six-storey Törölä hotel offers 17 double rooms and one single room. In addition, the spacious family room on the top floor can accommodate up to four people.

The brand-new sauna located in the basement of Törölä is available for rent, both for hotel guests and for private or corporate events. As part of the renovation, an elevator has been installed to improve accessibility. Guests can also enjoy the padel court free of charge.

The Törölä parking area offers ten electric vehicle charging points (Type 2 connectors, including two 22 kW chargers and eight 11 kW chargers). Download the Plugit app on your phone to easily start and pay for charging.
