

Elite Hotel Frost, Kiruna

4-star hotel.

Located in the heart of Kiruna, the Elite Hotel Frost is a unique contemporary property inspired by the spectacular landscapes and cultural identity of Swedish Lapland. Surrounded by mountains, boreal forests, and vast Arctic wilderness, this recently opened hotel offers an elegant immersion into the far north of Sweden.

The hotel features 154 modern and refined rooms, designed in a sleek Nordic style combining natural materials, soft tones, and high-end comfort. Its warm and contemporary atmosphere creates a true haven after a day exploring Lapland.

The property offers two restaurants, including The Bishops Arms, as well as an elegant sky bar with panoramic views over Kiruna and the surrounding landscapes. The dining experiences highlight carefully prepared cuisine inspired by Nordic flavors and local ingredients.

One of the hotel's main highlights is the Vana Spa, located on the top floor, offering indoor and outdoor pools, saunas, a hammam, fitness facilities, and relaxation areas, all overlooking the immense Arctic scenery. Depending on the season, guests may admire the midnight sun or the northern lights in an exceptional setting.

Thanks to its prime location, the hotel is an ideal base for discovering Kiruna, Abisko National Park, the village of Jukkasjärvi, and the spectacular wilderness of Swedish Lapland. A resolutely modern address, perfectly integrated into the extraordinary atmosphere of the Arctic North.
